

## Curriculum Vitae

<b>Michael</b> <b>Keinprecht, BSc</b>	
<b>Relevant Work Experience</b>	
Since November 2020	<u>Student Assistant – IHS Vienna (Insight Austria)</u> Supporting activities (literature research, field experiments, report drafts) for a variety of projects
Since September 2019	<u>Tutor – WU Vienna (Institute for Industrial Economics and Economic Policy)</u> Compiling a pool of practice questions with extensive explanations for students of the applied microeconomics courses. Help supervising students.
Feb. – July 2020	<u>Internship – Statistics Department of the Austrian National Bank</u> Implementing and updating automated checks and rules for banks.
December 2019	<u>“Soft Mobility in Lower Austria” – IHS Vienna (Insight Austria)</u> Literature research on how to motivate people to walk or use the bike for distances under 5 km.
August 2019	<u>“Pension Reform Project” – IHS Vienna (Insight Austria)</u> Identifying problems of the Austrian Pension system and suggesting possible solutions with a focus on behavioural economics insights. My focus was on low retirement age and gender differences. Suggestions included Framing, use of Social Norms and setting optimized Defaults.
April – June 2019	<u>PhD Project “Lobbying in the US” – WU Vienna</u> Data research using R for a PhD Project which included matching foundations to corresponding companies and subsequently matching public comments about policy changes to those companies.
